

Sign-Up & Onboarding UI Mockups

Four screens illustrating the 3-step PLG sign-up flow and post-signup team provisioning described in Part 3 of the Niyanthra spec series.

- **1. Step 1 — Authentication**
- **2. Step 2 — Instant Workspace Creation**
- **3. Step 3 — Dashboard + In-App Setup Checklist**
- **4. Settings → Team — Invite & Role Management**

Niyanthra.

Run your business. Not your setup.

A workspace built for Kerala's traders, distributors and retailers — up and running before your chai gets cold.

<60s

from sign-up to a working workspace

2

fields asked before you're in

GSTIN, branches and your team — all set up from inside the app, on your own time.

Step 1 of 3 · Create your account

Let's get you in.

No credit card. No forms to fill before you can look around.

Mobile number

+91 98470 XXXXX

We'll send a one-time code over SMS or WhatsApp — no password needed.

Send OTP

By continuing, you agree to Niyanthra's Terms of Service and Privacy Policy.

Already have a workspace? [Log in](#)

Niyanthra.

Two fields. That's the whole form.

- ☐ Verified — Ramesh Kumar, +91 98470 XXXXX
- ☒ **Naming your workspace**
- ☐ GSTIN, team & modules — inside the app

Everything else — GSTIN, branches, modules, your team — is set up from inside your workspace, whenever you're ready.

Step 2 of 3 · Create your workspace

What should we call your business?

This creates your workspace instantly — you can change it anytime.

Company name

Kerala Traders & Sons

State • Kerala, pinned for you

Kerala

Used to set your GST and tax defaults automatically — no need to configure this later.

Create my workspace →

That's it. No GSTIN, no address, no company size — we'll ask only when you actually need them, right inside the app.
